

How to Access Digital Content

Through our website, your library card opens doors to unlimited resources for learning, research, and enjoyment. To get started, visit our website at: www.jmclibrary.org

Click on the E-resources menu tab at the top of the page, and choose the category of resources you would like to access.

- Database collection
- E-Books & E-Magazines
- Genealogy Resources
- Request an E-Card
- Learn Something New
- Tennessee Electronic Library

Request an E-Card

Want to just access our Digital Library? Fill out the "Request an E-Card" form from our website, upload a photo of your ID/Driver's License, and we will get back to you with your E-Card number. You will not be able to check out items from our library with an E-Card. It is solely for digital use, such as Tennessee R.E.A.D.S.

An E-Card allow you access to all our digital resources. All digital resources are available to Library Card holders. (*Restrictions apply.)

Digital Library Guide 2020

Jackson-Madison County Library
Opening Doors

E-Books & E-Magazines

Through Tennessee R.E.A.D.S., you can check out books for free for your Kindle, Apple, Nook, and Android devices with your library card. You can browse a virtual collection of e-magazines, e-books and e-audiobooks from the convenience of your mobile device or computer. Works with the Overdrive and Libby apps.

TIP: When you first set up your READS account, you will enter your library card # and select our library from a dropdown list of TN libraries. It is organized by TN Library region. The Jackson-Madison County Library is located in the Hatchie River Region.

Learn Something New

If you are looking to continue your education, pick up a new skill, or learn a new hobby, Universal Class is for you! You can take courses in subjects you enjoy for free! When you complete a course successfully, you earn Continuing Education Units (CEUs).

The Testing, Education, and Reference Center (TERC) from Gale, a Cengage company, allows users online standardized test prep, helps students research undergraduate and graduate programs, find tuition assistance, and explore careers. It includes practice tests for entrance exams, certifications, and licensing exams.

Choose from over 100 languages. English lessons for speakers of over 25 different languages. KidSpeak has kid-friendly lessons and interact in six languages. Mobile Apps are available. Save progress on lessons completed. It's all FREE!

Genealogy

Fold3 provides convenient access to US Military records, including the stories, photos, and personal documents of the men and women who served.

HeritageQuest Online includes all of the images and extensive indexing from the 1790 - 1930 US Federal censuses. It offers more than 20,000 book titles, including nearly 8,000 family histories and over 12,000 local histories.

Over 60 interactive e-books located in the library's catalog. When searching in our online catalog, choose "limit by: E-book" and click search. Once you choose a title you would like to read, click on "View title on DTI eMedia" to read in your browser.
