JACKSON-MADISON COUNTY LIBRARY

JUNE PROGRAM DESCRIPTIONS:

June 2: Kickoff Event - Register for our Summer Library Program while enjoying a live performance by Elvis impersonator, Brian Lee Howell at 1:00.

June 5: Kid & Teen Movie - Sing along to the animated movie, *Coco!* (Rated PG)

June 6: Crafternoons - For all ages! Create works of art using CDs.

June 7: Summer STEM** Science, technology, engineering & math related programs for kids ages 8 to 16. Registration is required. Explore and learn with us!

June 8: Movies that ROCK - Enjoy the classic Elvis film, *Jailhouse Rock* in the Boardroom.

June 12: Kid Show - Join Bob Tarter and the Natural History Educational Company of the Midsouth presents "Animal Sounds, Songs & Symphony".

June 12: Teen & Adult Program - Songwriting 101. We will live stream with songwriters at the Country Music Hall of Fame and Museum in Nashville for this one-of-a-kind workshop! Space is limited to 20 participants for this free program. To register, email Jessi Rieger at jrieger@madisoncountyttn.gov.

June 13: Crafternoons - For all ages! Create fashionable bangle bracelets or make music note cards

June 14: Summer STEM** Science, technology, engineering & math related programs for kids ages 8 to 16. Registration is required. Explore and learn with us!

June 15: Movies that ROCK - *The Buddy Holly Story* will be featured in the Boardroom.

June 16: Rock Paper Scissors Tournament - Assemble a team or compete on your own. Who will reign supreme?

June 19: Kid & Teen Movie - Sing along to the movie musical *Hairspray!* (2007; Rated PG)

June 19: AARP presents a program on identity theft and fraud in the Boardroom at the Main Library.

June 20: Crafternoons - For all ages! Learn about how old fashioned ice cream is made from Juanita Shaw with the Old Country Store and make your own ice cream in a bag!

June 21: Summer STEM** Science, technology, engineering & math related programs for kids ages 8 to 16. Registration is required. Explore and learn with us!

June 22: Movies that ROCK - It's the rock opera to end all rock operas: The Who's *Tommy* will be featured in the Boardroom.

June 26: Kid Show - Drawing with Rich Davis - Recommended for kids ages 6 and up - Kids will be entertained while learning illustrating and drawing skills.

June 26: Teen & Adult Program - Music Listening Party - Is there *just one song* that you wish everyone would listen to? Do you feel like nobody understands your music? Bring your ears, your open mind, and an iPod/MP3 player or CD with one or two songs that you'd like to share. Everyone gets a turn to be the DJ! (If you have a turntable and vinyl records - bring that too!)

June 27: Crafternoons - For all ages! Find out what happens when you sprinkle salt on your watercolor painting!

June 28: Summer STEM** Science, technology, engineering & math related programs for kids ages 8 to 16. Registration is required. Explore and learn with us!

June 29: Movies that ROCK - Goodness gracious, watch *Great Balls of Fire* in the Boardroom.

** Preregistration is required for Summer STEM. Summer STEM (Science, Technology, Engineering & Math) is open to ages 8 - 16. Register before June 7th to attend. Space is limited. Email jmclkids@gmail.com to sign up.
