Rita Randolph treats us to a tour de force of gardening wisdom and experience and will cover horticulture from azalea to zinnia. With photos! Even if you don't have a pot, you will want get one to plant up after her presentation. Her enthusiasm for plants-green, gold, purple, soft, spikey, short, tall, demure and flamboyant is really contagious.

The event is free and open to the public. Feel free to bring a sack lunch. Light refreshments will be served.
